

Form No. 1

Submitted for defense in the action brought by the defendant

To the venerable Chamber of First Degree in North Lebanon

Petition Submitted by

The petitioner: \_\_\_\_\_ residing in \_\_\_\_\_

The defendant: \_\_\_\_\_ residing in \_\_\_\_\_

The third person who should be notified: The Appellate General  
Prosecution in North Lebanon

First: In the facts

Second: In the law

Whereas the judicial aid was adopted by the law for the benefit of persons whose bad financial conditions do not allow them to assume the charges of the trial fixed by the court.

Whereas article 427 (C.C.P.) provides the possibility to grant the judicial aid for bringing the first degree legal action or for defense, in other words the application for the judicial aid may be submitted after bringing the lawsuit in order to allow the plaintiff to defend himself.

Whereas the certificate given by the mayor of the city of \_\_\_\_\_ attached to the file confirms the bad financial condition of the petitioner.

Whereas the copy of the pleading attached to the file and the other included documents indicate clearly that the defense of the plaintiff requesting the judicial aid is useful and acceptable.

Therefore,

The conditions of the judicial aid are fulfilled pursuant to the provisions of the Code of Civil Procedures.

**For all the reasons above mentioned**

We ask your venerable court to pass a decision granting the petitioner a judicial aid in order to proceed in the case brought by the defendant, before the single judge in \_\_\_\_\_, looking into the cases \_\_\_\_\_, in order to bind the plaintiff to \_\_\_\_\_, until the last degrees of the lawsuit, the execution of the judgment passed in this regard, pursuant to the provisions of article 439 C.C.P., and its notification.

With best regards

The petitioner
